

Risk-informed Decision in Geotechnical Design

Dr. Limin Zhang, FASCE

Winner of 2023 Ralph B. Peck Award

Chair Professor and Head

Department of Civil and Environmental Engineering

The Hong Kong University of Science and Technology

Date: 08/11/2023 (Wednesday)

Time: 7:00 PM to 8:00 PM

Hong Kong time (GMT +8)

Venue: Zoom link will be provided after registration. Please register by 01 November 2023.

Biography

Dr. Limin Zhang is Chair Professor and Head of the Department of Civil and Environmental Engineering and Director of Geotechnical Centrifuge Facility at the Hong Kong University of Science and Technology. His research areas include slopes, dams, foundations, and geotechnical risk assessment and management. Dr. Zhang is Past Chair of ASCE Geo-Institute's Risk Assessment and Management Committee, Past Chair of ASCE Hong Kong Section, Chair of International Society of Soil Mechanics and Geotechnical Engineering (ISSMGE)'s TC210 on Embankment Dams, Editor-in-Chief of Georisk and Associate Editor of ASCE's Journal of Geotechnical and Geoenvironmental Engineering. Dr. Zhang is ASCE's 25th Ralph Peck Lecturer (2023) and ISSMGE's 5th Suzanne Lacasse Lecturer.

ASCE Region 10 Distinguished Lecture

invites outstanding international scholars and industry practitioners who has made significant contributions to Civil Engineering to share their achievements with ASCE international members. ASCE Region 10 is the home to all ASCE international members and covers all countries outside of North America.
